Article 1. The Establishment Regulations for Research and Industry-Academia Collaboration Development Committee of Asia University are promulgated pursuant to Article 14 of the organization regulations of Asia University. The Research and Industry-Academia Collaboration Development Committee (hereinafter referred to as the Committee) is established for the purpose of integrating research resources, promoting interdisciplinary researches and developing domestic academic cooperation.

Article 2. Regulations on the constitution of the committee are as follows:

1. The Committee comprises 15 to 17 committee members. The President, Vice Presidents, Dean of the Office of Academic Affairs, Dean of the Office of Research and Development, Dean of the Office of Industry-Academia Collaboration, Dean of each College, and Director of the Center for General Education are ex-officio members. The other commissioners are selected by the President from full-time teachers who have excellent achievements of research and industry-academia collaboration. Committee members are appointed for one year.
2. The President serves as the committee's chairman and the Dean of the Office of Research and Development as the executive secretary.
3. Should the occasion require, with the consent of the President, it is permissible to establish another temporary research group or invite consultants to assist.

Article 3. The Committee is assigned with the following tasks:

1. Proposals for the strategy of academic research and development
2. Proposals for the strategy of promoting industry-academia collaboration
3. Review of the reward for academic research results and intramural projects

4. Review of the reward for achievements of research and industry-academia collaboration

5. Review of other events regarding research projects and development of industry-academia collaboration

Article 4. The committee should be convened by the President and held at least once every semester.

Article 5. The Regulations adopted by the University Council shall come into effect after they are approved and promulgated by the President. Amendments must also undergo the same procedures.

Note: In the event of any disputes or misunderstanding as to the interpretation of the language or terms of this Regulations, the Chinese language version shall prevail.
