"The Forum of Long-Term Care in 2021" is a two-day forum held by NCKU on **January 28th & 29th, 2021** aims to evoke the discussion about the long-term care industries and long distance learning in Taiwan. The Taiwan Government has set the goal of developing a high-quality, affordable, and universal long-term care service system able to enhance the elderly's quality of life and reduce the burden on family members under the growing wave of the elderly population. For achieving this goal will be reliant on interdisciplinary collaboration in long-term care.
